

Melanie has been a lifesaver for our business taking on the role of Social media manager and digital sales. She has helped raise our profile and improve our branding through her refreshing posts, which are thoroughly researched and timely. Melanie is easy-going and relaxed but professional and hardworking at the same time. She has a strong passion for the ocean and the environment which aligns well with our company values.

Mel is very easy to work with and has taken a lot of the pressure from me to do those jobs that I never wanted to do, nor was I any good at! I am very grateful that I can rely on Melanie to do a great job every time.
